

LK® Slide Seal Bags

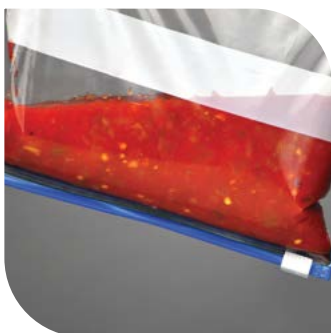

LK Slide Seal Bags are excellent for storing, displaying and protecting all types of products, especially those that need to be accessed multiple times. The precision slider mechanism is easy to use, even with gloved hands. The bags are available plain or with a white write-on block that aids in contents identification, and they meet FDA requirements for use with food products.

No Leak Slide Seal Bags

No Leak Slide Seal bags feature a unique slide seal configuration that doesn't leak, even when turned upside-down, making them an excellent choice for packaging items with high moisture content. These bags feature an oversized slider knob that makes them easy to open and close and a white write-on block for easy contents identification.

ITEM	SIZE	GAUGE	QTY/CASE
FSL20807W	8 X 7	1.75	250
FSL20912W	9 X 12	1.75	250

W -Indicates White "Write-On" Strip.
