

LK[®] T-Shirt Bags and Wet Packs

LK has a complete line of High Density T-Shirt Bags and Wet Packs to choose from. These bags combine convenience, strength and light weight for a combination that paper bags can't touch!

Virtually all of LK's HDPE T-Shirt Bags are made with controlled-life additives that enables the bag to self-destruct in the presence of oxygen and sunlight to help protect the environment if disposed as litter. This additive is recyclable with regular HDPE material where recycling is available and is designed to have a service life of approximately two years.

- **High Density material provides exceptional strength**
- **d2w[®] controlled-life technology helps reduce harmful effects of litter**
- **d2w[®] controlled-life technology material is recyclable with regular HDPE material where recycling is available**
- **Printed and plain bags available**
- **Plastronic[®] bags are available in seven distinctive colors and are packaged in convenient dispenser cartons**
